Tradition & Innovation

Since our beginning in 1965, our sole focus has been designing and fabricating the world's finest firearm magazines.

A combination of family pride, hard work, and state-of-the-art manufacturing has led to us becoming the preferred OEM supplier to firearm manufacturers. Because we use the same materials in our aftermarket magazines, we've become the top choice of demanding shooters across the world.

OF LEGENDARY PERFORMANCE

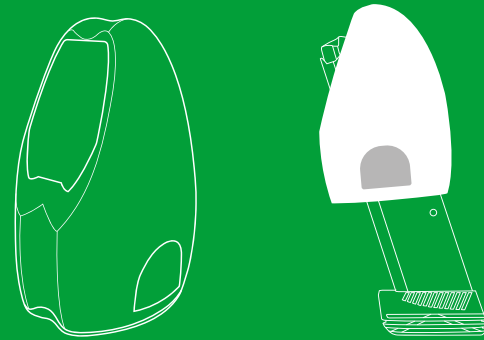

MEG LOADER

UNIVERSAL MAGAZINE LOADER

Universal magazine loader for single / double stack pistol magazines from 9MM to .45ACP.

Load your magazines quickly and easily
Includes small, medium and large inserts
Also includes .22LR green insert for selected magazines*
* (only works with Ruger MK series mags and Browning Buck Mark)

IFS INNOVATION FOR SHOOTERS

PROUDLY DESIGNED & MADE IN ITALY
PATENT N. US 2018/0321004 A1

UNIVERSAL IFS MEG-LOADER
MG-LOAD BLACK

PATENT N. US 2018/0321004 A1

SMALL

MEDIUM

LARGE

.22LR

*ONLY WORKS WITH RUGER MK SERIES MAGS AND BROWNING BUCK MARK

4 ADAPTERS INCLUDED

HOW TO USE:

THE UNIVERSAL MEG-LOADER FITS ALL THE MAGAZINES THANKS TO THE 4 DIFFERENT INSERTS INCLUDED.

1. Choose and insert the right adapter according to your magazine:

WHITE: small size fits single stack mags (1911 mags).

BLUE: medium size fits normal double stack mags (Beretta FS, CZ 75-01, Glock, Sig 320 exc).

RED: large size fits big double stack mags (Witness large frame exc).

GREEN: .22lr size fits RUGER MK series mags & BROWNING BUCK MARK mags.

2. Slide the Meg-Loader onto the magazine

3. Hold the Meg-Loader with your DOMINANT HAND and your thumb on the top

4. Press DOWN the loader on the magazine follower and TURN behind until the stop

5. Holding down the loader, load the first round

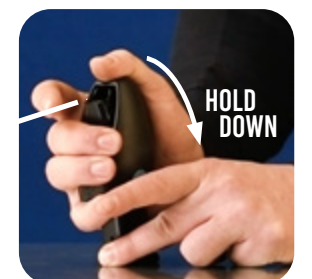

6. LIFT UP vertically keeping your finger in front of the round

7. Lift up totally over the round and then TURN forward until the stop

8. Press DOWN the loader on the round and TURN behind until the stop

9. Hold down the loader, load another round. REPEAT all the operations until the magazine is completely loaded

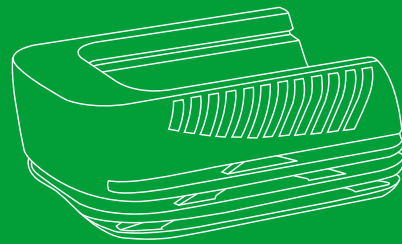

DPS FLOORPLATE

DROP PROTECTION SYSTEM

Mec-Gar IFS+ – Innovations For Shooters is the ultimate range of advanced upgrade parts straight from Mec-Gar R&D Department. Manufactured from durable poly carbonate. Grooves and angling on sides allow for better handling during magazine changes and reduces the shock to the magazine when dropped.
